SUPERION™ CERAMIC SHIELD: A REVOLUTION IN FLOORING.

The SUPERION™ Ceramic Shield is transforming the flooring industry. Featuring a 3-MIL layer of ceramic, it ensures the genuine natural colors remain cleaner and scratch-free for an extended period, giving planks the commercial grade toughness to out perform.

CITADEL™ SERIES SPECIFICATIONS

SUPERION™ CERAMIC SHIELD

The Ultimate Armor for
Your Floors.

Micro-Ceramic Infusion

- Provides industry-leading scratch and dent resistance.

All-Weather UV Guard

- Prevents fading and discoloration from sun exposure.

No-Stain Technology

- Creates a non-porous surface that repels spills and pet accidents.

Low-Effort Upkeep

- Significantly reduces the need for specialized cleaning or maintenance.

22MIL and 32MIL Wear Layers

- The highest spec flooring available in the United States, 22MIL and 32MIL with 3MIL Ceramic Shield.

Relationships that endure,
Floors that outlast generations.
